

# AOVOPRO Brand Upgrade Statement

To dear clients:

In order to providing the perfect AOVOPRO electric scooters to our clients, from 25<sup>th</sup> Oct, 2021, the old logo will be abandoned and release new AOVOPRO logo as following:

Just as what AOVOPRO always insist, the new logo also symbolizes Young, Fashion and Power of keeping forward.

In the past 2 years, AOVOPRO team have been getting more and more concerns by the powerful and stable AOVOPRO electric scooters, more and more clients and friends from all over the world, are willing to owe or transmit the AOVOPRO electric scooter, which makes AOVOPRO a best selling growing and most popular electric scooter brand. Just because of this, on the market there was a small part of fake aovo scooters which has low quality and cheap price, harmed our original AOVOPRO brand. As well as improving the battery to top class with industry unique intelligent BMS, reinforcing the scooter tube & body frame, changing into metal rear fender bracket and adding anti-fake function, we upgrade into new AOVOPRO brand, and only the original AOVOPRO electric scooters can be connected with smart AOVOPRO app. We are and will always concentrating to providing the fantastic, powerful, stable and comfortable electric scooter.
